5. Download the Extension

- [Sign in](#) to your account
- Navigate to menu **My Account** → **My Downloads**
- Find the extension and click to download it
- Extract the downloaded ZIP file in a temporary directory

6. Backup your web directory and store database

Before installing the extension, backup your web directory and store database. All our extensions are tested on clean Magento installations. We can not guarantee of compatibility with third party extensions or customized Magento installations. We recommend to install any extension you obtain from us on a testing Magento installation first and then on a live Magento installation in case of incompatibility with third party extensions.

7. Installing the Extension

- Upload the extracted folders and files of the extension to base (root) Magento directory. Do not replace the whole folders, but merge them. If you have downloaded the extension from Magento Marketplace, then create the following folder path **app/code/MageVision/MiniCartCoupon** and upload there the extracted folders and files.
- Connect via SSH to your Magento server as, or switch to, the Magento file system owner and run the following commands from the (root) Magento directory:
 - `cd path_to_the_magento_root_directory`
 - `php bin/magento maintenance:enable`
 - `php bin/magento module:enable MageVision_MiniCartCoupon`
 - `php bin/magento setup:upgrade`
 - `php bin/magento setup:di:compile`
 - `php bin/magento setup:static-content:deploy`
 - `php bin/magento maintenance:disable`
- Log out from Magento admin and log in again

8. How to Use

Navigate to Magento Admin under **Stores** → **Configuration** → **MageVision Extensions** → **Mini Cart Coupon** to enable and configure the extension.

The screenshot shows the Magento Admin Configuration page for the Mini Cart Coupon extension. At the top, there is a yellow notification banner stating: "One or more integrations have been reset because of a change to their xml configs." In the top right corner, it says "System Messages: 1". The main heading is "Configuration". On the right side, there is a search icon, a notification bell with "3", and a user profile icon labeled "admin". Below the heading, there is a "Store View" dropdown menu set to "Default Config" with a help icon. A prominent orange "Save Config" button is located on the right. On the left, a vertical sidebar contains navigation icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, and Stores. The main content area is titled "General" and features three dropdown menus: "Enable [store view]" set to "Yes", "Display Grand Total [store view]" set to "Yes", and "Display Discount Amount [store view]" set to "Yes". The "MAGEVISION EXTENSIONS" category is expanded in the sidebar, showing "Mini Cart Coupon" as the selected option.
