

# Payment Method Logo

User/Installation Guide

Version 2.2.0

## 1. Overview

The Payment Method Logo extension gives you the ability to display a logo/image for the default Magento's payment methods in checkout. You can easily configure the logo/image in Magento admin to each payment method. Allowed image extensions are .jpg, .jpeg, .gif, .png and .svg. Additionally you can configure to display the method title next to the logo/image. Default Magento payment methods are Check / Money order, Bank Transfer Payment, Cash On Delivery, Zero Subtotal Checkout, Purchase Order and Credit Card Direct Post (Authorize.net).

## 2. Key Features

- Display a logo/image for the default Magento's payments method in checkout
- Display the method title next to the logo/image

## 3. Other Features

- Developed by a Magento Certified Developer
- Meets Magento standard development practices
- Single License is valid for 1 live Magento installation and unlimited test Magento installations
- Simple installation
- 100% open source

## 4. Compatibility

Magento Community Edition 2.1 – 2.2

## 5. Download the Extension

- [Sign in](#) to your account
- Navigate to menu **My Account** → **My Downloads**
- Find the extension and click to download it
- Extract the downloaded ZIP file in a temporary directory

## 6. Backup your web directory and store database

Before installing the extension, backup your web directory and store database. All our extensions are tested on clean Magento installations. We can not guarantee of compatibility with third party extensions or customized Magento installations. We recommend to install any extension you obtain from us on a testing Magento installation first and then on a live Magento installation in case of incompatibility with third party extensions.

## 7. Installing the Extension

- Upload the extracted folders and files of the extension to base (root) Magento directory. Do not replace the whole folders, but merge them. If you have downloaded the extension from Magento Marketplace, then create the following folder path **app/code/MageVision/PaymentMethodLogo** and upload there the extracted folders and files.
- Connect via SSH to your Magento server as, or switch to, the Magento file system owner and run the following commands from the (root) Magento directory:
  - `cd path_to_the_magento_root_directory`
  - `php -f bin/magento module:enable MageVision_PaymentMethodLogo`
  - `php -f bin/magento setup:upgrade`
  - `php -f bin/magento setup:di:compile`
  - `php -f bin/magento setup:static-content:deploy`
- Log out from Magento admin and log in again

## 8. How to Use

Navigate to Magento Admin under **Stores** → **Configuration** → **Sales** → **Payment Methods** and configure a logo/image to each payment method. You can also configure if you want to display the method title next to the logo/image. Navigate to your store in checkout to see the result. **Please notice** that the extension is developed and tested on a default Magento theme. The extension overrides the templates of the default payment methods, so we can not guarantee that the extension works as described, if you have a customized checkout or installed an one step checkout extension.

Screenshot

Magento Admin configuration

**Stores** → **Configuration** → **Sales** → **Payment Methods**

The screenshot shows the Magento Admin Configuration interface. On the left is a vertical sidebar with navigation icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, and Stores. The main content area is titled 'Configuration' and has a 'Save Config' button in the top right. A left-hand menu lists 'Multishipping Settings', 'Shipping Methods', 'Google API', and 'Payment Methods' (which is highlighted). Below this menu are expandable sections for 'MAGEVISION EXTENSIONS', 'SERVICES', and 'ADVANCED'. The main configuration area is titled 'OTHER PAYMENT METHODS: ▲' and shows a collapsed section for 'Check / Money Order'. The configuration options for this method are:

- Enabled** [website]: Yes (dropdown), with a checked checkbox for 'Use system value'.
- Title** [store view]: Check / Money order (text input), with a checked checkbox for 'Use system value'.
- Logo** [store view]: Includes a 'Choose File' button (with a 'No file chosen' message), a 'Delete Image' checkbox, and a small 'Yes' button.
- Display Title next to Logo** [store view]: Yes (dropdown).
- New Order Status** [website]: Pending (dropdown), with a checked checkbox for 'Use system value'.
- Payment from Applicable Countries** [website]: All Allowed Countries (dropdown), with a checked checkbox for 'Use system value'.
